Mr. M. Hananel/Cross-Exam

A: First of all I told you what he told me. Since then I
refused to take money in the United States, Dan 2
Raviv took, I don't know what his next, 3

Q: I know you are in a rush to say something that's 4
going to get Dan Raviv into trouble theoretically by 5
talking what he paid in the United States but why 6
don't you just answer my question. 7

A: I answer your question. 8

Mr. Hamilton, Esq.: You are bringing up the subject Mr. Levi, 9
please. 10

Mr. Levi, Esq.: Yeah I brought it up. So let me go back to that 11
million dollars that Mr. Adelson invests, he buys 12
100% of a company for a million dollars. Let's say 13 10
years go by and the company is work a billion 14
dollars, you still have, your understanding of this 15
option, a right to buy 12% of this billion dollar 16
company by putting in, by giving Mr. Adelson 17
\$120,000? 18

Mr. Hananel: No limit of time was mentioned at all and my, oh 19
contrary, there was not example of 10 years, there 20
was an example, what was in the conversation. 21

Q: O.K. 22

A: Or you want to rephrase it? 23

Q: No, no, I want you to, 24

Mr. Hamilton, Esq.: Go ahead let the witness complete his 25
answer, you interrupted him Mr. Levi. Go ahead 26
complete what you were going to say. 27

Mr. M. Hananel/Cross-Exam

Mr. Hananel: In this conversation, Mr. Adelson gave me example.

The example regarding time was first of all 2
explicitly, I'm investing in the beginning you can 3
invest any time, you don't take risk, you can choose 4
to invest when you know that this company is 5
successful. When I invest in the beginning I don't 6
know, maybe this, he used the word "will go 7
mechulah" in Yiddish, will go bankrupt. I will invest 8
a million dollars and the company go bankrupt, you 9
don't have to pay me this when the company go 10
mechulah, that's what he meant. You can invest 100
one year after its going, 10 years was not discussed 11,
but one year after was discussed, was given by him as
an example to tell me what a good deal he is offering 12
me. If you ask me for understanding, it was not 15
discussed 10 years after so for understanding yes 16

Q: So one year after was discussed? 17

A: One year was given as an example. 18

Q: What if it was 2 years, would you still have the same 19
rights? 20

A: I know that I have the rights. 21

Q: What if it was 10 years? 22

A: Because nobody said its limit after 2 years, 3 years, 23,
15 years. 24

Q: 20 years? 25

A: If I brought him to invest in a good company and 26
chose not to invest immediately and chose to invest 27

Mr. M. Hananel/Cross-Exam

10 years after to exercise my right, yes, I have the 1
right to exercise my right. 2

Q: And with no, you don't have to pay interest, no 3
nothing? Same amount on your 1 as on your 20? 4

A: No interest was mentioned or discussed at all. What 5
was discussed was if he have further investment. 6

Q: I understand, you already answered that. alright. O7K. 7
let's take a break and have lunch. 8

Mr. Hamilton, Esq.: Just witness my suggestion, 9

Mr. Levi, Esq.: That's fine. 10

(Lunch Break 14:41) 11

(Side D) 12

Mr. Levi, Esq.: Tell me when you're ready. 13

Mr. Somekh: Please. The time is 2:41 PM 14

Mr. Levi, Esq.: O.K. Thank you. 15

Mr. Hananel: Our record is also on? 16

Mr. Hamilton, Esq.: I believe it is. Yes. 17

Mr. Levi, Esq.: O.K. Hack into all these records. Mr. Hananel and I 18
were discussing the options, the option agreement. 19

Mr. Hananel: Yes. 20

Q: That you described it before and to what did the 21
option apply? Do you understand my question? what 22
kind of investments did you get the option in? what 23
did you have to do to qualify for an option? 24

A: Any investment that will be done because of 25
initiation of the Israeli body and myself. Sheldon can 26
choose to what form he is investing and we can 27
choose and operate new forms or old forms. 28

Mr. M. Hananel/Cross-Exam

resort city in Czech and I asked Sheldon you really
want me to go there and so on to study the matter? He
said yes. Raviv was the one that initiate this one and
I went with this gentleman twice to Czechoslovakia
to explore this thing about the casino. 5

Q: And, 6

A: And if it was materialize, I would see myself entitled
to 12% for the casino. 8

Q: I thought it was initiated by Raviv? 9

A: Raviv will get his share. I was not saying only 10
initiated. You cut me answering the question. I was
entitled to 12% whether I was initiating, whether 12
Sheldon delegated me a subject that I handled in 13
Israel, I was also initiate for 12%, whether anybody
of the כפופים לי that were working under me, 15
subordinate to me, whether they were on commission
or not commission, were initiate a subject that I 17
handled. In all these cases and maybe others, I was
entitled to 12%. 19

Q: So if you have, 20

A: Not solely what I initiated. 21

Q: I see. So if your son, a nice young lad who I just met, 22

A: Yes, yes. 23

Q: If he had come to you and said I just, we just did 24
project in school and the project in school had to do
with the possibility of building casinos in Lithuania 26
and he gave you his homework assignment and you 27
read it and you took his homework assignment which 28

Mr. M. Hananel/Cross-Exam

- Q: And you told Sheldon that you had a contact with the
glassmaker? 2
- A: I told him I have a contact with the government. 3
- Q: With the government? 4
- A: That's right. 5
- Q: And what was your contact with the government? 6
- A: I knew the president, the prime minister, foreign 7
minister and more importantly, they knew me. 8
- Q: Those were good contacts. And if Mr. Adelson and 9
the Venetian had purchased any of this Moreno glass 10
in Bulgaria, would you have been entitled to any 11
compensation? 12
- A: It was not matter of trading, commission trading 13
was matter of stock option. If for example Adelson 14,
as he was proposed and it looked to him lucrative 15
was investing in a factory for crystal, for glasses 16
Bulgaria, I was entitled to 12%. 17
- Q: Because you planted the seed? 18
- A: I think we digested it because ideas worth money 19
- Q: And the casino and the hotel's casino, if he had 20
purchased any hotels and opened casinos or built 21
casino in Bulgaria, would you have been entitled 22
your option? 23
- A: That's right. 24
- Q: And that's because you brought, you took him to 25
Bulgaria? 26
- A: No because I brought him the possibilities of 27
investing in casino and hotel in Bulgaria. If he was 28
